- they sell out fast!!

- ★ With the many classes we offer, it is impossible to put all families/students into the same concert - we have tried our absolute hardest to make it work for as many families as possible! And this year, to be COVID safe, we are only allowing a certain number of students backstage which means we cannot double up performances as we normally would to help families attend only one concert.
- ★ Our ticket prices directly reflect the cost of the venue/sound/lighting/security/staff/cleaning. We guarantee you a great day of entertainment that will be enjoyed by the whole family.
- ★ To keep you, our audience, COVID safe, **we will be selling tickets for every second seat**, so there will be at least one seat in between each ticket you purchase. When you arrive, people from the same household may shuffle closer together within the seat range they have purchased, this will leave ample space between each group. Rows will also be spread out so that there is more space in front and behind each seat, to aid social distancing!
- ★ All Ready Set Dance and Ready Set Ballet Performers will be handed back to their parents shortly after their item. They can sit on a parent's lap or on a seat that is in between two of their guests. We have included these students in our audience limit of 50% capacity.
All other performers are welcome to purchase an age appropriate ticket if they wish to sit in the audience with their family when they are not performing. If your child is in acts 1-13 and would like to watch the second half of the concert OR if they are in acts 14-25 and would like to watch the first half of the concert, you will need to purchase a ticket for them. If you do not want to buy a ticket for your performer, we will happily supervise them backstage for the entirety of the concert. **Your concert allocation and item numbers are on the next page.**

Adult	\$35
Child 17years & under / Concession	\$20

Which concert is your class performing in?

Students enrolled in more than one class and some adult classes may be performing in two concerts – please check these lists thoroughly to find each class! **The following list WILL BE THE ORDER in which classes will be performing each day.** Due to COVID restrictions, we will not be having an intermission, however we will get everybody up and moving part way through the concert! Look forward to a competition in the audience with prizes to be won!

All of our Ready Set Dancers will be given back to their parents shortly after they've performed. You do not need to buy your Ready Set Dancers a ticket to sit with you. If your child is in acts 1-13 and would like to watch the second half of the concert OR if they are in acts 14-25 and would like to watch the first half of the concert, you will need to purchase a ticket for them. If you do not want to buy a ticket for your performer, they can be supervised backstage for the entirety of the concert.

Concert Filming

Once again, we have the fabulous 'Onsight Films' producing our professionally edited, high definition, concert footage. **This year, every family will receive a digital copy (\$25)** that they can share with family and loved ones, which is perfect this year considering many cannot travel to see them in person. This has come about as DVD technology is becoming outdated and thus the common practice for dance schools now is to provide a digital link with each family paying an amount to cover the cost. With the cost shared between all families we are able to reduce the old \$50 DVD price to \$25 for this year's digital version. This will be added to your account on 16th November. You will receive -

- 📺 Both Concerts in full, multiple camera angles, professionally edited, filmed in High Definition
- 📺 Timeless memories
- 📺 Easy to share with family and friends that were unable to attend
- 📺 Family friendly holiday entertainment (no need to worry what the kids are watching)
- 📺 With Onsight Films taking care of filming you can sit back and enjoy probably the first live performance you've been to in a while and use those hands for applause!

Please note that no personal filming is permitted at the concert via personal devices.

Practice

ALL STUDENTS should be rehearsing their routines AT LEAST once a day,

SMILE 😊😊😊 It's going to be a wonderful day!
